ANNUAL REPORT

2024 2025

NOTE FROM THE PRESIDENT

Shining Together: A Transitional Year

As my term as the 86th President comes to a close, I find myself reflecting with immense gratitude on a year that has been nothing short of transformational. It has been the honor of a lifetime to serve this incredible organization during our 112th year – one rooted deeply in purpose, connection, and community.

When we launched the **S.H.I.N.E.** initiative at the beginning of the League year, it was a call to action. How are you going to make our community and League shine? I am proud to say that you answered – boldly and beautifully.

Together, we expanded our service through the Community Response Volunteer Taskforce, ensuring that our work remained relevant and responsive. We deepened our commitment to diversity, equity, inclusion, accessibility, and belonging, entering the next phase of our DEIAB roadmap with open hearts and a shared vision. We opened our doors to new community partnerships, created new pathways for leadership development and mentorship, and reimagined our approach to fund development to ensure JLW's long-term sustainability.

Every part of **S.H.I.N.E.** was made possible by your energy, your ideas, and your unwavering dedication. I've seen the spark in New Members finding their voice, in Sustainers offering their wisdom, and in every Active who stepped up to lead and serve in meaningful ways. You have made this League shine.

To our 2024-2025 Board of Directors, committee leaders, and every member who gave of their time, treasure and talents- thank you. Your leadership has been inspiring and your support invaluable. To Madam President-Elect Christina Babcock, I am excited to pass the torch to a woman whose passion and vision will undoubtedly carry JLW into the next great chapter.

This year has been a reminder that when we come together with purpose, the impact is limitless. Thank you for trusting me to lead this fabulous organization. Always remember to dream big, shine bright and do good!

Yours in Service,

Charlyn Stanberry, Esq.

Junior League of Washington President, 2024-2025

MISSION

The Junior League of Washington (JLW) is an organization of women whose mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.

VISION

The Junior League of Washington strives to be a vibrant presence in the lives of the women and children in the greater metropolitan area of the District of Columbia, serving as a resource throughout the community to effect positive change, seek common ground, and inspire hope.

FOCUS

The Junior League of Washington focuses our financial and volunteer resources on supporting pathways to opportunity across the Greater Washington, DC Metropolitan Area. We have adopted a broad approach in response to evolving challenges facing our community, in order to produce real change. Supporting Pathways to Opportunity includes supporting educational, professional, and financial programming and resources for children, adolescents, young adults, adults, as well as capacity building for community organizations.

OUR COMMITMENT TO DIVERSITY AND INCLUSION

The Junior League of Washington welcomes all women who value our Mission. We are committed to inclusive environments of diverse individuals, organizations, and communities.

OUR MEMBERS

At present, over 2,300 women in the Washington, DC, area are members of the Junior League of Washington. JLW organizes and trains these women for effective action and leadership in our community through orientations, seminars, and hands-on experience. Throughout JLW history, we have provided millions of volunteer hours and more than \$6 million to the community. Membership in JLW today empowers all women to volunteer and help those in need through our selection of volunteer opportunities.
